And now we're at \$2500 - Outstanding!

*Now a quick message from Blair*

I'm overwhelmed by everyone's support for Mr. Patel's case.

We are close to hitting the amount needed for at least 3 depositions, but there's more we'd like to do. We'll probably send out more subpoenas and file motions to compel companies/people to comply. For example, we're subpoenaing companies/persons distributing the work Mr. Patel is accused of downloading to uncover potential agreements with Prenda-related parties. If you donate please add a note to the PayPal payment saying if you only want the money to go towards depositions. Like Andrew (K`Tetch) said the other day, I'm also humbled by the support of everyone.

**WOWSERS**

Wow you guys.

24 hours in and we're already at \$1040.

I'm amazed, and a little humbled.

You guys are awesome!
